

## Rebuild VA Grant Fund Frequently Asked Questions

Question	Answer
What is the purpose of the Rebuild Virginia Grant Fund (RVGF)?	The RVGF helps to meet financial obligations and operating expenses that could have been met had the economic disaster not occurred, and to recover with the resources to offset the additional costs of operating a small business in the post-pandemic environment. Approved RVGF applicants shall receive grants up to 3.0 times their average monthly eligible expenses, or recovery reimbursements, up to a maximum of \$10,000.00.
What type of operating expenses are reimbursable under the Rebuild Virginia Grant Fund?	Payroll support including employee salaries, paid sick leave, medical leave, or family leave, and costs associated with the continuation of group health care benefits during those period of leave; mortgage payments; rental payments (including rents under a lease agreement; utilities, defined as electricity, gas, water/sewer, telephone, internet service; principal and interest payments for any organization loans from nationally or state chartered financial institutions that were incurred, prior to, or during the COVID-19 emergency
What COVID-19 recovery reimbursements are covered in the RVGF?	Eligible Expenses and Disbursements made on or after March 24, 2020: 1.Purchase of equipment, infrastructure, technology or other capital assets necessary to permit the applicant to prevent the transmission of
	<ul> <li>COVID-19 and provide a healthy and safe work environment for its employees, including the modification of work stations and furniture, the installation of barriers, shields and Plexiglas</li> <li>2.Expenses to comply with OSHA and VDH safety standards relating to COVID-19 prevention, including the purchase or improvement of high-</li> </ul>
	efficiency ventilation systems or hand-washing stations 3.Expenses to reconfigure business facilities to comply with physical distancing standards to prevent the transmission of COVID-19, including the installation of drive-through windows
	4.Expenses for the utilization or phase-in of touch-free technology or equipment, such as touch-free toilets, sinks, fixtures, dispensers and trash cans; installation of signage to encourage physical distancing and hand-washing
	5. Purchase of equipment, infrastructure, technology or other services to prepare for and respond to coronavirus: necessary expenses related to long-term economic recovery and expenses related to the establishment of alternative business sales and delivery methods, including web-based platforms

Can an application be saved and return to later?	The application needs to be completed in one sitting, The portal does not allow a "save and close". Please review the submission carefully before submitting.
How does an applicant know their application has been successfully submitted?	Every applicant receives a confirmation screen that the application has been submitted.
When will the portal close for submission or when will VSBFA stop accepting applications?	The portal will close upon the successful deployments of the funds.
How will applicant be notified of grant application approval?	VSBFA will primarily utilize email to communicate with all applicants. Be sure to check email regularly, including spam folders.
How will applicant be notified of grant application declination?	Unsuccessful applicants will be notified by email, once funds have been deployed
How will a successful grant applicant receive the grant funds?	A check will be mailed to the applicant from the Virginia Department of Treasury. The disbursement may take up to fourteen (14) days after grants funds application has been approved.
